TENANT INFORMATION

Serving more than 10,000 Georgians annually, River Edge Behavioral Health is one of the state’s leading resources for mental health, substance use disorder, and intellectual and developmental disabilities. River Edge’s dedicated, highly-trained staff along with its state-of-the-art prevention, treatment, and support services has made life better for Georgians since 1950. River Edge Crisis Service Centers operate 24/7, 365 days a year, providing up to 23 hours of outpatient crisis stabilization for adults experiencing acute mental health or substance use crises. These centers offer a vital alternative to emergency room visits or delays in accessing care.

Services and Supports: (<https://www.river-edge.org/about/overview.cms>)

Mental Illness Recovery

River Edge offers a wide array of evidence-based mental health services for youth and adults journeying toward recovery. River Edge is especially skilled at assisting those with multiple challenges as well as promoting and supporting recovery for individuals and families with intensive needs.

Substance Use Disorder Recovery

River Edge offers evidence-based treatment and support services for individuals with a substance use disorder. Services optimize health, well-being, hope, and healing opportunities for each individual. Interventions build on the strengths, needs, abilities, and preferences of persons served to bolster recovery and natural resilience.

Intellectual & Developmental Disabilities Support

At River Edge, instead of seeing disabilities, we see different abilities. Our caring, well-trained staff partner with individuals, families, loved ones, and other providers to offer individualized choices, options, opportunities, and support services that encourage living the most independent, meaningful life possible.
