Discover one of Macon's most recognizable historic landmarks. Built in 1890 and formerly home to the renowned House of Hines, this 5,994 SF two-story Victorian property combines timeless architectural character with exceptional flexibility.

Distinctive features include an elegant Victorian façade, grand reception hall, impressive second-floor gallery hall, French door entrance, vintage light fixtures, oversized windows, beautiful millwork, a private primary suite, kitchen, multiple offices and flex rooms, a rear gallery lobby, and a charming widow's walk.

The landscaped grounds include a private Victorian courtyard, a two-story barn and loft, and a 1,290 SF detached storage building. The deep lot offers nearly 400 feet of depth beyond the rear outbuilding, providing room for expansion, and a circular driveway with separate entrance and exit on Vineville Avenue provides easy access. A rare opportunity to own a landmark property in Macon's Historic Vineville.

Presented by: Lan Heath

Lan has extensive experience in the commercial and multi-family development fields. He started in that industry as a founding principal with Heath & Associates, Inc. and MMI Capital, LLC. In October 1995. Those companies focused on development, investment, finance and management of multi-family market rate and tax credit properties (section 42), as well build-to-suit commercial investment properties leased to federal, state and county governmental agencies and fortune 1000 corporate customers. He was responsible for the development, finance, and management of nearly 500,000 square feet of space in five southeastern states.

Since joining the Fickling Team in October of 2019 his focus has been in retail center, industrial, automotive, warehousing and distribution owner representation, sales, leasing and investment.

Presented by: Jenny Howell

With over two decades of experience in sales, marketing, and business development, Jenny Howell combines global hospitality expertise with deep commercial real estate insight. Before entering real estate, Jenny was Director of Sales and Marketing for luxury resorts in Miami Beach, where she led diverse teams and managed multimillion-dollar accounts.
